

ABOA FireWise - Contractor Contact List

The FireWise Committee is sharing this contact list of Contractors as a reference for ABOA members. The Contractor's license number is included as a courtesy, and is not a guarantee of their work or current license status.

Homeowners have the responsibility to verify the contractors license status, work history and insurance prior to having work performed. License information may be found at the State Construction Contractors Board (CCB#): <http://search.ccb.state.or.us/search/> and at the Oregon Landscaping Board of Contractors (LCB#):<https://lcb.us.thentiacloud.net/webs/lcb/register/#/> .

Some contractors are also certified Arborists and have provided their International Society of Arboriculture License number (ISA#): <https://www.isa-arbor.com/For-the-Public> . Under ISA licensing, some Arborists have an additional TRAQ certification (Tree Risk Assessment Qualification).

The ABOA FireWise Committee, Board and related entities are providing this list as a courtesy and are not responsible or liable for work or services performed by any of these contractors. It is the Owners responsibility to contact, vet and choose their service provider.
